

**DERMATOLOGY &
PLASTIC SURGERY
OF ARIZONA**

Dear Dr Southard and PLR Nominating Committee

I am writing to submit my letter of intent to run for the American College of Osteopathic Surgeons Board of Governors as a representative of the Plastic Surgery Discipline.

I have served ACOS leadership for the last 25 years starting as a student. I am interested in continuing to support the College's work in advocacy, education, mentorship, and specialty representation, while helping ensure that the voice of osteopathic plastic surgeons remains active and visible within the broader ACOS community.

If elected, I would focus on strengthening engagement among plastic surgery members, supporting residents and students and early-career surgeons, promoting high-quality continuing education, and advancing collaboration across surgical disciplines. I believe the Board of Governors plays an important role in serving the members of the College and Discipline.

I would bring to this role a practical, service-oriented perspective and a commitment to representing the Plastic Surgery Discipline with professionalism, transparency, and accountability. I welcome the opportunity to contribute to ACOS's mission and to help support the continued growth and relevance of our specialty within the College. My CV is also attached.

Thank you for your consideration.

Sincerely,

Jamie Moenster, DO, DFACOS, FACS
