Dear Colleagues,

Please accept this letter as my expression of interest in serving as Secretary-Treasurer of the Neurosurgery Section of the American College of Osteopathic Surgeons. The ACOS has been an important part of my career, and over the past few years, I've had the chance to become increasingly involved in such meaningful ways. I'd be honored to continue serving our section and appreciate your consideration.

Sincerely,

Saikiran G. Murthy, DO, MPH, MA, FACOS
