

Tanya Minasian, DO
ACOS Neurological Surgery
1680 Duke Street, Suite 500
Alexandria, VA 22314

Dear Dr. Minasian and Members of the ACOS Neurosurgery Discipline,

I am writing to formally express my interest in serving as Chair-Elect of the Neurological Surgery Discipline within the American College of Osteopathic Surgeons.

Having had the privilege of serving as an active member of the Discipline and currently as Secretary-Treasurer, I have gained a deep appreciation for the responsibilities, commitment, and leadership required to advance our specialty and support our membership. These experiences have provided valuable insight into the Discipline's operations, strategic priorities, and opportunities for continued growth.

If elected, I look forward to building upon the strong foundation established by our current and past leaders while fostering new opportunities for innovation, collaboration, education, and member engagement. I am committed to working alongside my colleagues to further strengthen our Discipline and advance the mission of the ACOS in serving osteopathic neurological surgeons and the patients we care for.

Thank you for your consideration. It would be an honor to serve in this leadership role and contribute to the continued success and future direction of our Discipline.

Sincerely,

Sudhakar Vadivelu, DO
