Dear Nominating Committee,

I am writing to submit my letter of intent to serve as Secretary-Treasurer of the ACOS Plastic and Reconstructive Surgery discipline. Having been involved with ACOS for more than 10 years, I am grateful for the opportunities the organization has provided for professional growth, collaboration, and service. I am excited by the opportunity to take on greater responsibility and contribute more directly to the continued advancement of our discipline and the broader mission of ACOS.

If elected, I will approach the role with a strong commitment to accuracy, fiscal responsibility, transparency, and accountability. I would look forward to working closely with the Chair, fellow officers, members, and governing bodies to support the discipline's priorities, maintain effective communication, and help ensure that organizational responsibilities are carried out thoughtfully and reliably.

I value the work of our chapter and of ACOS at large, and I would be honored to serve in this leadership capacity. Thank you for your consideration of my candidacy.

Sincerely,

A handwritten signature in cursive script that reads "Zachary Long".
