ACOS Leadership Committee ACOS Plastic & Reconstructive Surgery Discipline

Dear Members of the ACOS Leadership Committee,

I am writing to declare my candidacy for **Secretary-Treasurer** of the ACOS Plastic & Reconstructive Surgery discipline. As Assistant Program Director, I developed and implemented fellowship protocols, managed curriculum and assessment processes, and regularly teach residents, fellows, and medical students in both clinical and didactic settings. These responsibilities have honed my organizational rigor, attention to detail, and commitment to transparent education and administration.

If elected, I will apply that experience to ensure accurate recordkeeping, prudent fiscal oversight, and clear communication for our discipline.

Thank you for your consideration.

Sincerely,
